**THE ANNUAL AND SPECIAL MEETING**  
**OF HOLDERS OF COMMON SHARES**  
**TO BE HELD ON JUNE 21, 2019**

**SOLICITATION OF PROXIES**

This management information circular (“**Management Information Circular**”) is furnished in connection with the solicitation of proxies by the management of **GENSOURCE POTASH CORPORATION** (the “**Company**”) for use at the annual and special meeting (the “**Meeting**”) of holders of common shares (“**Common Shares**”) of the Company to be held on June 21, 2019 at 9:00 a.m. (Saskatoon time) at Suite 202, 2nd Floor, The Tower at Midtown, 201-1st Avenue South, Saskatoon, Saskatchewan, S7K 1J5 (and any adjournment thereof) for the purposes set forth in the Notice of Meeting (the “**Notice**”). Shareholders are requested to carefully review the information herein that describes the purposes of the Meeting.

The enclosed proxy is solicited by the management of the Company. The solicitation of proxies will be conducted primarily by mail. However, directors, officers and regular employees of the Company may also solicit proxies by telephone, facsimile, e-mail or in person without special compensation. The cost of solicitation by management will be borne directly by the Company.

**Appointment and Revocation of Proxies**

The individuals named as appointed proxyholders in the accompanying form of proxy are Michael Ferguson, the President, Chief Executive Officer and a director of the Company, and failing him, Paul Martin, a director of the Company.

A shareholder has the right to appoint a person to attend and act for the shareholder and on the shareholder’s behalf at the Meeting other than the persons designated in the form of proxy. A shareholder may exercise such right by inserting the name of the desired person in the blank space provided in the form of proxy or by completing another form of proxy.

To be valid, a proxy must be in writing and executed by the shareholder or its attorney authorized in writing, or if the shareholder is a corporation, an authorized officer or attorney. Completed proxies must be delivered to the Company c/o TSX Trust Company, Attn: Proxy Department, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1 (the “**Registrar**”) (fax no. 1-416-595-9593), not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof. Alternatively, as described further in the accompanying form of proxy, proxies may be voted using the Internet at [www.voteproxyonline.com](http://www.voteproxyonline.com). The Chairman of the Meeting may waive the proxy cut-off without notice.

A shareholder who has executed a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy and Section 110(4) of the *Business Corporations Act* (Ontario). A proxy may be revoked by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or by his attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized, and by depositing the same at the offices of TSX Trust Company, Attn: Proxy Department, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1 (the “**Registrar**”) (fax no. 1-416-595-9593) at any time up to and including the last business day preceding the day of the Meeting or with the Chairman of the Meeting on the day of the Meeting or in any other manner permitted by law. Such instrument will not be effective with respect to any matter of which a vote has already been cast pursuant to such proxy.

Shareholders are cautioned that the use of mail to transmit proxies is at the shareholder’s risk.

### Exercise of Discretion by Proxies

The Common Shares represented by a properly executed proxy will be voted for or against or be withheld from voting on each matter referred to in the Notice, in accordance with the instructions of the shareholder, on any ballot that may be called for. If the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. The enclosed proxy grants discretionary authority to the named proxyholders with respect to matters identified in the accompanying Notice. **If a shareholder does not specify a choice, the Common Shares represented by a proxy given to the persons designated by management in the proxy are intended to be voted FOR all matters specified in the Notice.**

The enclosed proxy also confers discretionary authority upon the proxyholder named therein with respect to any amendments or variations to the matters identified in the Notice and any other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting, it is the intention of the persons designated in the accompanying form of proxy to vote in accordance with their best judgment on such matter or business, exercising discretionary authority. At the time of printing of this Management Information Circular, management of the Company is not aware of any such amendment, variation or other matter which may be presented at the Meeting.

### Information for Non-Registered (Beneficial) Owners of Common Shares

The Common Shares owned by many shareholders are not registered on the records of the Company in the beneficial shareholders' own names. Rather, such Common Shares are registered in the name of a securities dealer, bank or other intermediary, or in the name of a clearing agency (referred to in this Management Information Circular as "**Intermediaries**"). Shareholders who do not hold their Common Shares in their own names (referred to in this Management Information Circular as "non-registered owners") should note that **only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. A non-registered owner cannot be recognized at the Meeting for the purposes of voting his or her Common Shares unless such holder is appointed by the applicable Intermediary as a proxyholder.**

The Meeting materials are being sent to both registered shareholders and non-registered owners. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the securities on your behalf.

Non-registered owners who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as non-objecting beneficial owners ("**NOBOs**"). Those non-registered owners who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners ("**OBOs**").

In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has elected to send the Meeting materials directly to the NOBOs, and indirectly to the OBOs through their Intermediaries. By choosing to send the Meeting materials directly to NOBOs, the Company (and not the Intermediary holding Common Shares on behalf of the NOBOs), has assumed responsibility for (i) delivering the Meeting materials to the NOBOs, and (ii) executing their proper voting instructions.

If you are a NOBO, please complete and return the voting instruction form (as opposed to the form of proxy) accompanying this Management Information Circular as specified in the voting instruction form. If you are an OBO, the Intermediary holding the Common Shares on your behalf is required to forward the Meeting materials to you (unless you have waived your right to receive them) and to seek your instructions as how to vote your Common Shares in respect of each of the matters described in this Management Information Circular to be voted on at the Meeting. **Each Intermediary has its own procedures which should be carefully followed by non-registered owners who are OBOs to ensure that their Common Shares are voted by the Intermediary on their behalf at the Meeting.** The instructions for voting will be set out in the form of proxy or voting instruction form provided by the Intermediary. OBOs should contact their Intermediary and carefully follow the voting instructions provided by such Intermediary. Alternatively, OBOs who wish to vote their Common Shares in person at the Meeting may do so by appointing themselves as the proxy nominee by writing their own name in the space provided on the form of proxy or voting instruction form provided to them by the Intermediary and following the Intermediary's instructions for return of the executed form of proxy or voting instruction form.

### **Voting Securities and Principal Holders of Voting Securities**

The Company is authorized to issue an unlimited number of Common Shares of which 368,499,090 are issued and outstanding as of the date hereof. Each Common Share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting.

The record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting is May 3, 2019 (the "**Record Date**"). Shareholders of the Company whose names have been entered in the register of shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting.

To the knowledge of the directors and executive officers of the Company, as at the date hereof, no person or company beneficially owns or exercises control or direction over, directly or indirectly, voting securities carrying more than 10% of the voting rights attached to any class of voting securities of the Company.

## **PARTICULARS OF MATTERS TO BE ACTED UPON**

### **1. FINANCIAL STATEMENTS AND AUDITOR'S REPORT**

At the Meeting, shareholders will be presented with the audited financial statements of the Company for the fiscal year ended December 31, 2018 and the auditor's report thereon, but no vote by the shareholders with respect thereto is required or proposed to be taken.

### **2. ELECTION OF DIRECTORS**

The Articles of the Company provide that the board of directors of the Company (the "**Board**") shall consist of a minimum of three (3) directors and a maximum of nine (9) directors. Prior to last year's shareholders' meeting, the Board set the number of directors to be elected at four (4) and four directors were elected at the meeting. One director resigned and two interim directors were appointed; therefore, the Board currently consists of five (4) directors. The Board has set the number of directors to be elected at the Meeting at four (4) and it is intended that four (4) directors are to be elected at the Meeting. Unless otherwise directed, it is the intention of management to vote proxies in the accompanying form of proxy in favour of the election as directors of the four (4) Owner nominees set forth in the following table to serve as directors of the Company until the next annual meeting of the shareholders or until his successor is elected or appointed.

Management does not contemplate that any of the nominees will be unable to serve as directors but, if that should occur for any reason prior to the Meeting, the persons named in the accompanying form of proxy reserve the right to vote for another nominee at their discretion. Each director elected will hold office until the next annual meeting of shareholders or until his or her successor is duly elected or appointed unless prior thereto he or she resigns or his or her office becomes vacant by reason of death or other cause.

**The Board recommends that shareholders vote “FOR” the election of the nominees to the Company’s Board.**

The following table, among other things, sets forth the names of all persons proposed to be nominated for election as directors, their place of residence, their position with the Company, their principal occupations during the past five years and the number of Common Shares they beneficially own, control or direct, directly or indirectly. ### **3. APPOINTMENT OF AUDITOR**

Meyers Norris Penny LLP (“**MNP**”) are the independent registered certified accountants of the Company. effective June 9, 2015. MNP has audited the financial statements of the corporation for the fiscal years ending December 31, 2015, December 31, 2016, December 31, 2017 and December 31, 2018.

Management now proposes that MNP be appointed as the Company’s auditors to hold office until the next annual meeting of Shareholders, at a remuneration to be fixed by the Board.

**Unless the Shareholder has specifically instructed in the enclosed form of proxy that the Common Shares represented by such proxy are to be withheld or voted otherwise, the persons named in the accompanying proxy will vote FOR the appointment and ratification of MNP as auditors of the Company to hold office until the next annual meeting of Shareholders or until a successor is appointed and to authorize the Board to fix the remuneration of the auditors.**

### **4. 2007 STOCK OPTION PLAN – ANNUAL APPROVAL**

The TSXV requires all listed companies with a 10% rolling stock option plan to obtain annual shareholder approval of such a plan. Shareholders will be asked at the Meeting to vote on a resolution to approve, for the ensuing year, the Company’s 2007 stock option plan (the “Option Plan”), previously adopted by the Company on August 16, 2007, and as amended on June 6, 2011 and April 13, 2018.

The Option Plan provides that the Board may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Company, or any subsidiary of the Company, the option to purchase Common Shares. The Option Plan provides for a floating maximum limit of 10% of the outstanding Common Shares as permitted by the policies of the TSXV. As at the date hereof, this represents 36,849,909 Common Shares available under the Option Plan.

Outstanding options to purchase a total of 25,718,859 Common Shares have been issued to directors, officers, employees and consultants of the Corporation and remain outstanding. As at the date hereof, the number of Common Shares remaining available for issuance under the Plan is 11,131,050. For a brief description of the Option Plan, please see: “*Securities Authorized for Issuance Under Equity Compensation Plans – Stock Option Plan*”. The full text of the Plan is also attached as schedule “B” to the management information circular dated April 13, 2018 for the previous annual and special meeting of shareholders of the Company held on June 1, 2018 which is available on company’s provide on [www.SEDAR.com](http://www.SEDAR.com)

The Option Plan requires disinterested shareholder approval. At the Meeting, shareholders will be asked to consider and if deemed appropriate, to approve an ordinary resolution approving the Option Plan. The votes attaching to shares beneficially owned by insiders to whom options may be granted under the Option Plan; and by their associates will be excluded from voting on the approval of the Option Plan. In order to pass, such ordinary resolution requires the affirmative vote of a simple majority of the Common Shares present and voting at the Meeting, whether in person or by proxy, excluding 32,053,096 common shares which represent votes attaching to shares beneficially owned by insiders and their associates to whom options may be granted under the Option Plan. Unless otherwise directed, it is the intention of management to vote proxies in favour of an ordinary resolution in the form set out below to approve the Option Plan.

**The Board recommends that shareholders vote “FOR” the re-approval of the Company’s Option Plan.**

## **5. 2019 SHAREHOLDERS’ RIGHTS PLAN – TRIENNIAL APPROVAL**

At the Meeting, shareholders will be asked to consider and vote to approve by ordinary resolution (the “**Rights Plan Resolution**”), the Shareholder Rights Plan (the “**SRP**”), dated April 8, 2019. A summary of the SRP is set forth in Appendix “C” to this Circular. Shareholder approval is being sought in accordance with the policies of the TSXV. The SRP is conditionally accepted by the TSXV. If the Rights Plan Resolution is not approved at the Meeting the SRP will terminate immediately following the termination of the Meeting.

Capitalized terms used below without express definition have the meanings ascribed to them in the Shareholder Rights Plan Agreement between the Company and the TSX Trust Company dated April 8, 2019 (the “**Rights Agreement**”) governing the SRP that is made available on the Company’s SEDAR profile.

### Background

A rights plan is a common mechanism used by public companies to encourage the fair and equal treatment of all shareholders in the face of a take-over initiative, and to give the board of directors more time to identify, develop and negotiate value-enhancing alternatives, if considered appropriate by the board of directors in the circumstances.

Under a rights plan, rights to purchase common shares are issued to all shareholders. At first, the rights are not exercisable. However, if a person or group proceeds with a take-over bid for 20% or more of the target company’s shares that does not meet the “permitted bid” criteria set forth in the plan and the rights plan is triggered, then the rights (other than those owned by the acquiring person and its joint actors) become exercisable for shares at half the market price at the time of exercise, causing substantial dilution and making the take-over bid uneconomical.

The Board proposes the approval of the SRP to protect the shareholders from unfair take-over strategies to which the Company and its shareholders may be particularly vulnerable because of the securities laws applicable in Canada, the principal trading market for the shares.

Approval of the SRP is not being sought by the Board in response to, or in anticipation of, any acquisition proposal, and is not intended to prevent a take-over bid (as defined in the SRP) being made for the Company or to secure continuance of management or the directors in office and the SRP has been designed to ensure that, in the event of a take-over bid being made for Voting Shares (as defined in the SRP) (which at the moment are comprised solely of Common Shares) of the Company, all Shareholders will receive full and fair value for their shares and will not be subject

to abusive or coercive takeover strategies and that the Board, on behalf of the Company and all of its shareholders, will have the time and opportunity to evaluate the bid and its effects, to seek out alternative bidders and to explore, develop and evaluate other ways of maximizing shareholder value.

Accordingly, the objectives of the SRP are: (i) to provide each shareholder, no matter where they are resident, the opportunity to receive the same offer; (ii) to provide each shareholder, together with his or her advisor, with sufficient time to assess and evaluate a Take-over Bid; and (iii) to permit the Board, where appropriate, to explore, develop and evaluate alternatives to maximize the value to shareholders. Under the SRP, a bidder is encouraged either to make a Permitted Bid (as defined in the SRP) (which does not need approval of the Board) having terms and conditions that are designed to meet these objectives, or, to negotiate the terms of a bid with the Board.

In considering whether to approve the SRP, the Board considered the current legislative framework in Canada governing Take-over Bids, developments in the terms of shareholder rights plans over the last number of years and the actual experiences in hostile Take-over Bids in Canada which have taken place over the last few years for target companies having shareholder rights plans.

The objectives of the SRP and the terms of the SRP have been developed to deal with the following specific concerns with the existing securities laws in Canada pertaining to Take-over Bids:

#### Time

The SRP, through the Permitted Bid concept, provides a mechanism whereby the minimum expiry period for a Take-over Bid will be 105 days and provides that if the Permitted Bid is successful in having at least 50% of the outstanding Voting Shares held by Independent Shareholders (as defined in the SRP) (such being generally the shareholders other than: (i) the bidder and its Associates and Affiliates (as both terms are defined in the SRP) and other persons acting in concert with the bidder; and (ii) any employee benefit plan for the employees of the Company or a wholly-owned subsidiary of the Company), tendered by such time, the Take-over Bid will be extended for an additional 10 Business Days. These provisions will allow the shareholders and the Board sufficient time to consider the Takeover Bid and the various alternatives that may potentially be available.

#### Pressure to Tender

Shareholders may feel pressure to tender to a take-over bid that they think is inadequate because otherwise, they might be left with minority shares that are hard to sell or discounted. This is of particular concern in circumstances where the bidder can gain a control position without acquiring all of the shares, by making a partial bid for less than all of the shares, or by waiving a minimum tender condition. Under the SRP, a permitted bid must remain open for another 10 business days after the expiry of the minimum take-over bid period following a public announcement that more than 50% of the outstanding shares held by independent shareholders have been deposited or tendered and not withdrawn for purchase by the bidder. This permits a shareholder to accept the bid after a majority of the independent shareholders have decided to accept the bid and lessens concern about undue pressure to tender to the bid.

#### Unfair Treatment

Under Canadian securities Laws, a bidder can gain control or effective control of a company without paying full value, without obtaining shareholder approval and without treating all of the shareholders equally. For example, a bidder could acquire blocks of shares by private agreement from one or a small group of shareholders at a premium to market price which is not shared with the other shareholders. In addition, a person could slowly accumulate shares through stock exchange acquisitions which may result, over time, in an acquisition of control or effective control without paying a control premium or without sharing of any control premium among all shareholders fairly.

These are generally known as creeping bids. Under the SRP, in order to meet the permitted bid criteria, any person or group offering to acquire 20% or more of the Common Shares must make the offer to all shareholders on the books of the Company, for all of their Common Shares.

#### **Description of the SRP**

A summary of key terms of the SRP is set forth in Appendix "C" to this Circular.

#### **Effect of the SRP**

The SRP, is not intended to and will not prevent take-over bids that are equal or fair to shareholders. For example, shareholders may tender to a bid that meets the "permitted bid" criteria set out in the SRP without triggering the SRP, even if the Board does not feel the bid is acceptable. Even in the context of a bid that does not meet the "permitted

bid” criteria, the Board must consider every bid made, and must act in all circumstances honestly and in good faith with a view to the best interests of the Company.

Furthermore, any person or group that wish to make a take-over bid for the Company may negotiate with the Board to have the SRP waived or terminated, subject in both cases to the terms of the SRP, or may apply to a securities commission or court to have the SRP terminated. Both of these approaches provide the Board with more time and control over the process to enhance shareholder value, lessen the pressure upon shareholders to tender to a bid and encourage the fair and equal treatment of all independent shareholders in the context of an acquisition of control.

### **Approval by Shareholders**

The Board and management of the Company recommend that shareholders vote FOR its approval. The Board has determined that the SRP is in the best interests of the Company and has unanimously adopted and approved the SRP on April 8, 2019 and the SRP has been conditionally accepted by the TSXV. If the Rights Plan Resolution is passed at the Meeting, the SRP will continue in effect until 2022, when in accordance with the policies of the TSXV, the shareholders will be asked to approve the SRP for the ensuing three-year period.

If the Rights Plan Resolution is not approved at the Meeting, the SRP will terminate immediately following the termination of the Meeting.

The Rights Plan Resolution must be passed by a majority of the votes cast thereon by independent shareholders. In general, an independent shareholder is any shareholder other than a person or group who has acquired or is trying to acquire 20% or more of the Common Shares. In addition, under TSXV requirements, the SRP must be passed by a majority of the votes cast thereon by (a) all shareholders, and (b) all shareholders, without giving effect to any votes cast by (i) any shareholder that, directly or indirectly, on its own or in concert with others, holds or exercises control over more than 20% of the outstanding voting shares, if any, and (ii) the associates, affiliates and insiders of any person referred to in (i) above.

To the knowledge of the directors and executive officers of the Company as at the date hereof all shareholders are entitled to vote in respect of the Rights Plan Resolution, as no shareholder, directly or indirectly, and in connection with any affiliates, owns more than 20% of the Common Shares.

### **Rights Plan Resolution**

At the Meeting, shareholders will be asked to consider and, if deemed advisable, to approve the following ordinary resolution to approve the adoption of the SRP:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS THAT:

2. Any officer or director of Gensource Potash Corporation is hereby authorized to do all such acts and execute and file all instruments and documents necessary or desirable to carry out this resolution, including making appropriate filings with regulatory authorities including any applicable stock exchange.”

In order for the foregoing resolution to be passed, it must be approved by a simple majority of the aggregate votes cast by shareholders who vote in person or by proxy at the Meeting. **The persons named in the enclosed form of proxy, if named as proxy, intend to vote for the approval of the SRP. The Board unanimously recommends that holders of Common Shares vote FOR the approval of the SRP.**

### **6. OTHER BUSINESS**

As of the date of this Management Information Circular, the Board and the management of the Company are not aware of any matters to come before the Meeting other than those matters specifically identified in the accompanying Notice of Meeting. However, if such other matters properly come before the Meeting or any adjournment(s) thereof, the persons designated in the accompanying form of proxy will vote thereon in accordance with their judgment pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

## EXECUTIVE COMPENSATION

### (a) Named Executive Officers

For the purposes of this Management Information Circular, a named executive officer of the Company means each of the following individuals:

- (a) a chief executive officer (“**CEO**”) of the Company;
- (b) a chief financial officer (“**CFO**”) of the Company;
- (c) each of the Company’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6 – *Statement of Executive Compensation (in respect of years ending on or after December 31, 2008)* (“**Form 51-102F6**”), for that financial year; and
- (d) each individual who would be an NEO under paragraph (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

For the year ended December 31, 2018, the Company had the following named executive officer: Michael Ferguson, President and CEO., Robert Theoret, CFO and Deborah Morsky, VP Corporate Services (, a “**Named Executive Officer**” or “**NEO**”). No other individuals are considered “Named Executive Officers” as such term is defined in Form 51-102F6.

### (b) Compensation Discussion and Analysis

This compensation discussion and analysis describes the Company’s policies and practices with respect to the 2018 compensation of its Named Executive Officers. Neither the Company nor the Compensation Committee has adopted any formal policies to determine executive compensation. Compensation for the Company’s most recently completed fiscal year and prior fiscal years was based upon a negotiated salary, with the potential granting of options and bonus being paid as additional incentive. The Corporate Governance and Nomination Committee has the responsibility of administering the compensation policies related to the executive management of the Company, being the CEO and the CFO, and recommending compensation to the Board for approval by the independent directors. The Corporate Governance and Nomination Committee meet as frequently as is necessary to carry out its responsibilities. The Corporate Governance and Nomination Committee considers annual compensation in light of a number of factors, including (but not limited to) the financial performance and position of the Company, the historical level of compensation received by the management team and the contributions of the management team to the advancement of the Company’s business objectives.

Executive officers of the Company are eligible to receive stock options pursuant to the Company’s Option Plan, which are intended to, among other things, attract and retain executives, and closely align the interests of executives with those of the Company’s shareholders. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options previously granted to each executive officer and the exercise price of any outstanding options to ensure that such grants are consistent with the purpose of the Option Plan and executive compensation policies of the Company, and with the policies of the TSXV.

#### Compensation Risk

Regarding compensation risk, the directors have adopted a strategy of providing the Company’s executives with a combination of fixed salary and long-term incentives such as stock options to ensure that these individuals do not engage in high risk behavior which could add undue risk to the Company, minimizing the risk of an over-emphasis on short-term gain by executives at the expense of long-term performance of the Company.

#### Hedging

The Company does not prohibit Named Executive Officers or directors from purchasing financial instruments such as

prepaid variable forward contracts or equity swaps, collars, or units of exchange funds, or other financial instruments designed to hedge or offset a decrease in market value of securities granted as compensation held, directly or indirectly, by a NEO or director. However, neither the Board nor management is aware that any such individual has in the past bought or currently holds such instruments.

**(c) Summary Compensation Table**

The following table sets forth, for the Company's three most recently completed financial years, information concerning the compensation paid to the Company's Named Executive Officers. - (1) The Company follows guidance in the CICA Handbook *Section 3870 Stock-Based Compensation and Other Stock-Based Payments*, which requires that a fair value based method of accounting be applied to all stock-based payments. The fair value of incentive stock options granted to directors, officers and consultants are calculated using the Black-Scholes valuation model. The fair value for each stock option was estimated using the following weighted average assumptions:

Risk free rate	0.97%
Expected life	Determined by the terms and conditions of each stock option (5 years).
Expected volatility	Determined by the closing sale price for the Company's Common Shares for a historical time interval equal to the expected life of the stock options, adjusted to reflect various factors including non-recurring price volatility and TSXV hold periods (136.2%).
Expected dividend yield	0%.
Weighted Average Share Price	\$0.14

## SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

### **Stock Option Plan**

The Option Plan is a 10% “rolling” stock option plan. Pursuant to the policies of the TSXV, rolling stock option plans, such as the Option Plan, must receive shareholder approval on an annual basis. The Option Plan was last approved by shareholders on June 1, 2018 at the last annual general meeting of the Company.

Pursuant to the Option Plan, the Board may from time to time authorize the issue of options to directors, officers, employees and consultants of the Company and its subsidiaries or employees of companies providing management or consulting services to the Company or its subsidiaries.

The purpose of the Option Plan is to encourage directors, officers, employees and consultants to acquire Common Shares and to advance the interests of the Company by: (i) increasing their proprietary interest in the Company; (ii) aligning their interests with the interests of the Company’s shareholders generally; (iii) encouraging them to remain associated with the Company; (iv) furnishing them with an additional incentive in their efforts on behalf of the Company; and (v) enabling the Company to attract and retain valued directors, officers, employees and consultants.

The aggregate number of Common Shares issuable under the Option Plan shall not, at the time of the option grant, exceed 10% of the total number of issued and outstanding Common Shares (calculated on a non-diluted basis) unless the Company receives the permission of the TSXV (or any other stock exchange or exchanges on which the Common Shares are then listed) to exceed such threshold.

The term of the options shall be five (5) years from the date of the grant. The number of shares which may be reserved for issuance to any one individual within a 12-month period may not exceed 5% of the issued Common Shares or 2% if the optionee is a consultant. The Board has the discretion to issue options with immediate vesting or subject to a vesting schedule which will occur generally as to 1/3 on the one-year anniversary of the grant date, 1/3 on the two-year anniversary of the grant date and 1/3 on the three-year anniversary of the grant date. Options granted to employees or consultants engaged in investor relations activities shall not vest at a rate higher than 25% a quarter. The exercise price shall not be less than the Discounted Market Price as defined in Policy 4.4 of the TSXV or such greater price as may be determined by the Board. The full text of the Plan is available upon request and is also attached as schedule “B” to the management information circular dated April 13, 2018 for the previous annual and special meeting of shareholders of the Company held on June 1, 2018 which is available on the Company’s profile on [www.SEDAR.com](http://www.SEDAR.com)

### STATEMENT OF CORPORATE GOVERNANCE

Set out below is a description of the corporate governance practices of the Company as required by National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101").

#### 1. Board of Directors.

The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes effective decision making at the Board level.

NI 58-101 defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment. The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent.

The Board facilitates its exercise of independent supervision over management by having a majority of directors serve as “independent” directors. Three of the four current directors, namely Paul Martin, Calvin Redlick and Michael Mueller are independent directors. Michael Ferguson, is President and Chief Executive Officer of the Company, and has a “material relationship” with the Company and is thereby not considered to be an independent director. In order to ensure independence from management the independent directors meet separately from management at least quarterly.

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The Board meets without management present, as circumstances require. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in National Policy 58-201 – Corporate Governance Guidelines, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance.

## **2. Directorships.**

None of the directors of the Company are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction.

The Company does not have a formal process for orientation of new directors. The Board encourages directors to participate in continuing education programs.

## **4. Ethical Business Conduct.**

## **5. Nomination of Directors.**

## **6. Compensation.**

Compensation of management and the directors of the Company is recommended to the board by the Governance and Nominating Committee and approved by the independent members of the Board. Compensation is determined by reference to the market, the size and complexity of the Company and the personal contribution of each individual to the Company. ## **7. Committees.**

## SCHEDULE "A"

### Charter of the Audit Committee

#### I. Audit Committee Mandate

The Audit Committee (the "**Committee**") of Gensource Capital Corporation (the "**Company**") is appointed by the board of directors of the Company (the "**Board**") to assist the Board in fulfilling its oversight responsibilities of the Company. In so doing, the Committee provides an avenue of communication among the external auditors, management and the Board. The Committee will primarily fulfill this role by carrying out the activities enumerated in this Charter. The Committee is, however, independent of the Board, and in carrying out its role of assisting the Board in fulfilling its oversight responsibilities the Committee shall have the ability to determine its own agenda and any additional activities that the Committee shall carry out. The Audit Committee's primary duties and responsibilities are to:

- (a) Monitor the integrity of Company's financial reporting process and the audit process;
- (b) Monitor risk management and systems of internal controls;
- (c) Monitor the independence, qualifications and performance of the Company's independent auditors; and
- (d) Monitor the Company's compliance with legal and regulatory requirements.

While the Audit Committee has the duties and responsibilities set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. That is the responsibility of management and the independent auditors.

#### II. Reliance on Information and Standard of Care

Members of the Committee, absent actual or suspected knowledge to the contrary (which shall be reported to the Committee), shall be entitled to rely on the integrity and accuracy of all information provided and all representations and reports made to the Committee. In addition, members of the Committee shall be obliged only to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

**III. Responsibilities** The Committee's primary duties and responsibilities are as follows:

##### A. Financial Disclosure

1. Review and recommend to the Board for approval the Company's annual and interim financial statements, including any certification, report, opinion or review rendered by the external auditor, and the related management's discussion and analysis ("**MD&A**"), as well as such other financial information of the Company provided to the public or any governmental body as the Committee or the Board requires.
2. Review and recommend to the Board for approval any press releases of the Company that contain financial information.
3. Satisfy itself that adequate procedures are in place for the review of the Company's public disclosure of financial information extracted or derived from the Company's financial statements and the related MD&A and periodically assess the adequacy of those procedures.

##### B. Relationship with the External Auditor

1. Recommend to the Board the selection of the external auditor and the fees and other compensation to be paid to the external auditor.
2. Have the authority to communicate directly with the external auditor.
3. Advise the external auditor that it is required to report to the Committee and not to management of the Company.

4. Monitor the relationship between management and the external auditor, including reviewing any management letters or other reports of the external auditor, discussing any material differences of opinion between management and the external auditor and resolving disagreements between the external auditor and management.
5. Review and discuss on an annual basis with the external auditor all significant relationships they have with the Company, its management or employees that might interfere with the independence of the external auditor.
6. Pre-approve all non-audit services (or delegate such pre-approval, as the Committee may determine and as permitted by applicable Canadian securities laws) to be provided by the external auditor.
7. Review the performance of the external auditor and recommend any discharge of the external auditor when the Committee determines that circumstances warrant.
8. Periodically consult with the external auditor out of the presence of management about:
  - (i) any significant risks or exposures facing the Company;
  - (ii) internal controls and other steps that management has taken to control such risks; and
  - (iii) the fullness and accuracy of the financial statements of the Company, including the adequacy of internal controls to expose any payments, transactions or procedures that might be deemed illegal or otherwise improper.
9. Review and approve any proposed hiring of current or former partners or employees of the current (and any former) external auditor of the Company.

#### **C. Audit Process**

1. Review the scope, plan and results of the external auditor's audit and reviews, including the auditor's engagement letter, the post-audit management letter, if any, and the form of the audit report. The Committee may authorize the external auditor to perform supplemental reviews, audits or other work as deemed desirable.
2. Following completion of the annual audit and quarterly reviews, review separately with each of management and the external auditor any significant changes to planned procedures, any difficulties encountered during the course of the audit and, if applicable, reviews, including any restrictions on the scope of work or access to required information and the cooperation that the external auditor received during the course of the audit and, if applicable, reviews.
3. Review any significant disagreements among management and the external auditor in connection with the preparation of the financial statements.
4. Where there are significant unsettled issues between management and the external auditor that do not affect the audited financial statements, the Committee shall seek to ensure that there is an agreed course of action leading to the resolution of such matters.
5. Review with the external auditor and management significant findings and the extent to which changes or improvements in financial or accounting practices, as approved by the Committee, have been implemented.
6. Review the system in place to seek to ensure that the financial statements, MD&A and other financial information disseminated to governmental organizations and the public satisfy applicable requirements.

#### **D. Financial Reporting Processes**

1. Review the integrity of the Company's financial reporting processes, both internal and external, in consultation with the external auditor.
2. Review all material balance sheet issues, material contingent obligations and material related party transactions.

3. Review with management and the external auditor the Company's accounting policies and any changes that are proposed to be made thereto, including all critical accounting policies and practices used, any alternative treatments of financial information that have been discussed with management, the ramification of their use and the external auditor's preferred treatment and any other material communications with management with respect thereto. Review the disclosure and impact of contingencies and the reasonableness of the provisions, reserves and estimates that may have a material impact on financing reporting.

#### **E. General**

1. The Committee may at its discretion retain independent counsel, accountants and other professionals to assist it in the conduct of its activities and to set and pay (as an expense of the Company) the compensation for any such advisors.
2. Respond to requests by the Board with respect to the functions and activities that the Board request the Committee to perform.

  - (iv) the external auditor services and fees; and
  - (v) such other matters as the Company is required to disclose concerning the Committee.
5. Review in advance and approve, the hiring and appointment of the Company's senior financial executives.
6. Perform any other activities as the Committee or the Board deems necessary or appropriate.
7. Overseeing the work of the external auditors engaged to prepare or issue an audit's report or perform other audit, review or attest services for the Company, including the resolution of disagreements between management and the external auditors regarding financial reporting.
8. Pre-approve all non-audit services to be provided to the Company or its subsidiary entities by its external auditors.
9. Review the Company's financial statements, the MD&A thereon and annual and interim earnings press releases before such documents are publicly disclosed by the Company.
10. The Committee must satisfy itself that adequate procedures are in place for the review of the Company's public disclosure of financial information extracted or derived from the Company's financial statements, other than the public disclosure referred to in A.3 above, and must periodically assess the adequacy of those procedures.
11. Establish procedures for:
  - (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters; and
  - (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.
12. Review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditor of the Company.

The Committee shall also have the authority to communicate directly with the external auditors.

## SCHEDULE “B”

### SUMMARY OF SHAREHOLDER RIGHTS PLAN

<b>Issue of Rights:</b>	Effective at 5:00 p.m. (Toronto time) on April 8, 2019 (the “Record Time”), one right (a “Right”) was issued in respect of each Common Share outstanding at the Record Time. The Board will also authorize the issue of one Right for each Common Share issued after such date and prior to the Separation Time (discussed below).
<b>Probe Shareholder Approval:</b>	The SRP must be approved by a majority of the votes cast by holders of Common Shares, in person or by proxy, at the Meeting. See “ <i>Particulars of Matters to Be Acted Upon — 2019 SHAREHOLDERS’ RIGHTS PLAN – TRIENNIAL APPROVAL</i> ”
<b>Term:</b>	The SRP must be reconfirmed at the Company’s annual shareholders’ meeting in 2022, and at every third annual meeting thereafter.
<b>Rights Certificates and Transferability:</b>	Prior to the Separation Time, the Rights will be evidenced by registration for the associated Common Shares as indicated in the register and will not be transferable apart from the Common Shares. From and after the Separation Time, the Rights will be evidenced by separate “Rights Certificates” and will be transferable apart from the Common Shares.
<b>Attributes of Rights:</b>	Following the Separation Time, each Right will entitle the holder to acquire one or more Common Shares as set out under “ <i>Exercise of Rights</i> ” below.
<b>Exercise Price:</b>	Each Right will have an initial “Exercise Price” of an amount equal to three times the Market Price (as defined in the SRP) per Common Share, subject to anti-dilution adjustments.
<b>Exercise of Rights:</b>	Rights will not be exercisable prior to the Separation Time.  After the Separation Time, but prior to the occurrence of a Flip-in Event (discussed below), each Right will be exercisable to purchase one Common Share at the Exercise Price.  Upon the occurrence of a Flip-in Event, each Right (other than a void Right (discussed below)) will be exercisable to purchase that number of Common Shares which have a market value equal to twice the Exercise Price for an amount in cash equal to the Exercise Price (subject to anti-dilution adjustments).
<b>Separation Time:</b>	The Separation Time will occur on the tenth Trading Day (as defined in the SRP) after the earlier of: the date of public announcement by the Company or an Acquiring Person (defined below) of facts indicating that a person has become an Acquiring Person, the date that any person commences or announces an intention to commence a take-over bid (other than a Permitted Bid (defined below) or a Competing Bid (defined below)) the date on which a Permitted Bid or a Competing Bid ceases to qualify as such, or such later date as the Board may determine.
<b>Flip-In Event:</b>	A “Flip-in Event” means a transaction in or pursuant to which any person becomes an Acquiring Person.  Generally speaking, for purposes of determining whether a Flip-in Event has occurred, a person who is engaged in the business of managing investment funds for others and, as part of such person’s duties for fully managed accounts, holds or exercises voting or dispositive power over Common Shares in the ordinary course of business, would not, by reason thereof, be considered to be the beneficial owner of such Common Shares. Exemptions are also provided for Crown agents and statutory or other registered pension plans or funds. In each case, the exemption ceases to apply in the event that the exempt person is making a take-over bid (other than ordinary course market transactions or a distribution by the Company from treasury).
<b>Acquiring Person:</b>	A person will become an “Acquiring Person” when it and its Affiliates and Associates and persons acting jointly or in concert with the foregoing acquire beneficial ownership of 20% or more of the outstanding Common Shares. The term “Affiliate” is defined in its traditional sense based on standard concepts of “control”. The term “Associate” is defined to include spouses, partners or relatives who share the same home.
<b>Void Rights:</b>	Any and all Rights beneficially owned by an Acquiring Person, its Associates, Affiliates, any person acting jointly or in concert with the foregoing and any person to whom such persons have transferred their Rights will become null and void upon the occurrence of a Flip-in Event.

- Permitted Bid:** A “Permitted Bid” is generally a take-over bid that does not trigger a Flip-in Event. In addition to complying with applicable securities laws, a Permitted Bid must include the following provisions, among others:
- (a) the bid must be made to all registered Common Shareholders (other than Common Shares held by the offeror, its affiliates and joint actors),
  - (b) the bid must be open for no less than 105 days,
  - (c) the bid must contain a “majority of the minority” minimum tender condition, meaning that no Common Shares may be taken up or paid for by the offeror unless more than 50% of the outstanding Common Shares held by Common Shareholders (other than the offeror, its Affiliates and joint actors) have been deposited to the bid and not withdrawn, and in the event such minimum tender condition is satisfied, the offeror must publicly announce that fact and extend the bid for 10 business days, and
  - (d) the bid must allow Common Shares to be deposited or withdrawn at any time until the offeror takes up and pays for such Common Shares.
- Competing Bid:** A Competing Bid is a bid that is made while another Permitted Bid is in existence, and that satisfies all of the requirements of a Permitted Bid, except that the terms of the Competing Bid can be timed to expire on the date of the original “Permitted Bid” (unless a longer period is required by law).
- Permitted Lock-Up Agreement:** The SRP contains an exemption for Permitted Lock-Up Agreements (as defined in the SRP), where the agreement, among other things:
- (a) permits the locked-up Shareholder to withdraw Common Shares from the lock-up bid to tender to another bid that provides greater value, or if another bid is an offer for a greater number of Common Shares (in both instances, the maximum hurdle rate is 7%), and
  - (b) provides for no break-up fees or similar fees payable to the locked-up Common Shareholder that are greater than: (i) the cash equivalent of 2.5% of the price or value payable to the locked-up Shareholder under the lock-up bid; and (ii) 50% of the difference in value payable to the locked-up Shareholder between the lock-up bid and the other bid.
- Redemption of Rights:** Prior to the occurrence of a Flip-in Event, the Board may elect to redeem all of the outstanding Rights at a redemption price of \$0.00001 per Right (subject to anti-dilution adjustments).
- Waiver:** Prior to the occurrence of a Flip-in Event, the Board may waive the application of the SRP to a take-over bid that is not a Permitted Bid and that is made to all Shareholders, but if it does so then it will be deemed to have waived the application of the SRP to all similar bids made prior to the expiry of any bid for which such a waiver was granted.
- In addition, subject to the prior consent of the Shareholders, prior to the occurrence of a Flip-in Event, the Board may waive the application of the SRP if such Flip-in Event would occur by reason of an acquisition of Common Shares other than pursuant to a take-over bid.
- The Board may also waive the application of the Shareholder Rights Plan in the event that the Board determines that a person became an Acquiring Person by inadvertence and without any intention to do so, provided such person reduces its beneficial ownership of Common Shares within 30 days after the Board’s determination. The Board may also waive the application of the SRP in the event of a deliberate acquisition that would trigger the SRP, but only if the Acquiring Person has reduced its beneficial ownership or has entered into an agreement to do so within 15 days so that it is no longer an Acquiring Person (or such earlier or later date as the Board may determine).
- Amending Power:** Following the receipt of shareholder approval, the Board may amend the SRP without the approval of Shareholders only to correct typographical errors or to maintain the validity of the SRP as a result of a change in, or in the interpretation of, any applicable laws, regulations or rules. Following the Separation Time, the Board may amend, vary or rescind the SRP only with the approval of Rights holders.
- Rights Agent:** TSX Trust Company.
