MANAGEMENT INFORMATION CIRCULAR FOR THE ANNUAL AND SPECIAL MEETING OF HOLDERS OF COMMON SHARES TO BE HELD ON JUNE 7, 2016

SOLICITATION OF PROXIES

This management information circular (“**Management Information Circular**”) is furnished in connection with the solicitation of proxies by the management of **GENSOURCE POTASH CORPORATION** (the “**Company**”) for use at the annual and special meeting (the “**Meeting**”) of holders of common shares (“**Common Shares**”) of the Company to be held on June 7, 2016 at 9:30 a.m. (Saskatoon time) at Suite 202, 2nd Floor, The Tower at Midtown, 201-1st Avenue South, Saskatoon, Saskatchewan, S7K 1J5 (and any adjournment thereof) for the purposes set forth in the Notice of Meeting (the “**Notice**”). Shareholders are requested to carefully review the information herein that describes the purposes of the Meeting.

The enclosed proxy is solicited by the management of the Company. The solicitation of proxies will be conducted primarily by mail. However, directors, officers and regular employees of the Company may also solicit proxies by telephone, facsimile, e-mail or in person without special compensation. The cost of solicitation by management will be borne directly by the Company.

Appointment and Revocation of Proxies

The individuals named as appointed proxyholders in the accompanying form of proxy are Michael Ferguson, the President, Chief Executive Officer and a director of the Company, and failing him, Paul Martin, a director of the Company.

A shareholder has the right to appoint a person to attend and act for the shareholder and on the shareholder's behalf at the Meeting other than the persons designated in the form of proxy. A shareholder may exercise such right by inserting the name of the desired person in the blank space provided in the form of proxy or by completing another form of proxy.

To be valid, a proxy must be in writing and executed by the shareholder or its attorney authorized in writing, or if the shareholder is a corporation, an authorized officer or attorney. Completed proxies must be delivered to the Company c/o TMX Equity Transfer Services Inc., Attn: Proxy Department, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1 (the “**Registrar**”) (fax no. 1-416-595-9593), not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof. Alternatively, as described further in the accompanying form of proxy, proxies may be voted using the Internet at www.voteproxyonline.com. The Chairman of the Meeting may waive the proxy cut-off without notice.

A shareholder who has executed a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy and Section 110(4) of the *Business Corporations Act* (Ontario). A proxy may be revoked by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or by his attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized, and by depositing the same at the offices of TMX Equity Transfer Services Inc., Attn: Proxy Department, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1 (the “**Registrar**”) (fax no. 1-416-595-9593) at any time up to and including the last business day preceding the day of the Meeting or with the Chairman of the Meeting on the day of the Meeting or in any other manner permitted by law. Such instrument will not be effective with respect to any matter of which a vote has already been cast pursuant to such proxy.

Shareholders are cautioned that the use of mail to transmit proxies is at the shareholder's risk.

Exercise of Discretion by Proxies

The Common Shares represented by a properly executed proxy will be voted for or against or be withheld from voting on each matter referred to in the Notice, in accordance with the instructions of the shareholder, on any ballot that may be called for. If the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. The enclosed proxy grants discretionary authority to the named proxyholders with respect to matters identified in the accompanying Notice. **If a shareholder does not specify a**

choice, the Common Shares represented by a proxy given to the persons designated by management in the proxy are intended to be voted FOR all matters specified in the Notice.

The enclosed proxy also confers discretionary authority upon the proxyholder named therein with respect to any amendments or variations to the matters identified in the Notice and any other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting, it is the intention of the persons designated in the accompanying form of proxy to vote in accordance with their best judgment on such matter or business, exercising discretionary authority. At the time of printing of this Management Information Circular, management of the Company is not aware of any such amendment, variation or other matter which may be presented at the Meeting.

Information for Non-Registered (Beneficial) Owners of Common Shares

The Common Shares owned by many shareholders are not registered on the records of the Company in the beneficial shareholders' own names. Rather, such Common Shares are registered in the name of a securities dealer, bank or other intermediary, or in the name of a clearing agency (referred to in this Management Information Circular as "**Intermediaries**"). Shareholders who do not hold their Common Shares in their own names (referred to in this Management Information Circular as "non-registered owners") should note that **only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. A non-registered owner cannot be recognized at the Meeting for the purposes of voting his or her Common Shares unless such holder is appointed by the applicable Intermediary as a proxyholder.**

The Meeting materials are being sent to both registered shareholders and non-registered owners. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the securities on your behalf.

Non-registered owners who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as non-objecting beneficial owners ("**NOBOs**"). Those non-registered owners who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners ("**OBOs**").

In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has elected to send the Meeting materials directly to the NOBOs, and indirectly to the OBOs through their Intermediaries. By choosing to send the Meeting materials directly to NOBOs, the Company (and not the Intermediary holding Common Shares on behalf of the NOBOs), has assumed responsibility for (i) delivering the Meeting materials to the NOBOs, and (ii) executing their proper voting instructions.

If you are a NOBO, please complete and return the voting instruction form (as opposed to the form of proxy) accompanying this Management Information Circular as specified in the voting instruction form. If you are an OBO, the Intermediary holding the Common Shares on your behalf is required to forward the Meeting materials to you (unless you have waived your right to receive them) and to seek your instructions as how to vote your Common Shares in respect of each of the matters described in this Management Information Circular to be voted on at the Meeting. **Each Intermediary has its own procedures which should be carefully followed by non-registered owners who are OBOs to ensure that their Common Shares are voted by the Intermediary on their behalf at the Meeting.** The instructions for voting will be set out in the form of proxy or voting instruction form provided by the Intermediary. OBOs should contact their Intermediary and carefully follow the voting instructions provided by such Intermediary. Alternatively, OBOs who wish to vote their Common Shares in person at the Meeting may do so by appointing themselves as the proxy nominee by writing their own name in the space provided on the form of proxy or voting instruction form provided to them by the Intermediary and following the Intermediary's instructions for return of the executed form of proxy or voting instruction form.

Voting Securities and Principal Holders of Voting Securities

The Company is authorized to issue an unlimited number of Common Shares of which 169,941,205 are issued and outstanding as of the date hereof. Each Common Share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting.

The record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting is April 29, 2016 (the "**Record Date**"). Shareholders of the Company whose names have been entered in the register of shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting.

To the knowledge of the directors and executive officers of the Company, as at the date hereof, no person or company beneficially owns or exercises control or direction over, directly or indirectly, voting securities carrying more than 10% of the voting rights attached to any class of voting securities of the Company.

Interest of Certain Persons In Matters to be Acted Upon

Other than certain officers and consultants of the Company who are entitled to receive stock options of the Company pursuant to the Option Plan (as defined below), no person who has been a director or executive officer of the Company at any time since the beginning of its last completed financial year, no proposed nominee for election as a director of the Company, and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, except as disclosed in this Management Information Circular.

PARTICULARS OF MATTERS TO BE ACTED UPON

1. FINANCIAL STATEMENTS AND AUDITOR'S REPORT

At the Meeting, shareholders will be presented with the audited financial statements of the Company for the fiscal year ended December 31, 2015 and the auditor's report thereon, but no vote by the shareholders with respect thereto is required or proposed to be taken.

2. ELECTION OF DIRECTORS

The Articles of the Company provide that the board of directors of the Company (the "**Board**") shall consist of a minimum of three (3) directors and a maximum of nine (9) directors. At the Company's annual and special meeting held on July 7, 2011, shareholders passed a special resolution empowering the Board to determine, from time to time, the number of directors of the Company and the number of the directors of the Company to be elected at the annual meeting of the shareholders of the Company. Prior to last year's shareholders' meeting, the Board set the number of directors to be elected at three (3) and three directors were elected at the meeting. One of the Directors has submitted his resignation to be effective June 6th, 2016 and one interim director was appointed; therefore the Board currently consists of four (4) directors. The Board has set the number of directors to be elected at the Meeting at three (3) and it is intended that three (3) directors are to be elected at the Meeting. Unless otherwise directed, it is the intention of management to vote proxies in the accompanying form of proxy in favour of the election as directors of the three (3) Owner nominees set forth in the following table to serve as directors of the Company until the next annual meeting of the shareholders or until his successor is elected or appointed.

Management does not contemplate that any of the nominees will be unable to serve as directors but, if that should occur for any reason prior to the Meeting, the persons named in the accompanying form of proxy reserve the right to vote for another nominee at their discretion. Each director elected will hold office until the next annual meeting of shareholders or until his or her successor is duly elected or appointed unless prior thereto he or she resigns or his or her office becomes vacant by reason of death or other cause.

The Board recommends that shareholders vote "FOR" the election of the nominees to the Company's Board.

The following table, among other things, sets forth the names of all persons proposed to be nominated for election as directors, their place of residence, their position with the Company, their principal occupations during the past five years and the number of Common Shares they beneficially own, control or direct, directly or indirectly. The statement as to the number of Common Shares beneficially owned, controlled or directed, directly or indirectly, by the persons named in the below table is in each instance based upon information furnished by such individual concerned.

As a group, the proposed directors beneficially own, control or direct, directly or indirectly, 6,664,112 Common Shares, representing approximately 3.92% of the issued and outstanding Common Shares as of the date hereof.

Corporate Cease Trade Orders or Bankruptcies

Other than as disclosed below, no proposed director of the Company:

- (a) is, as at the date hereof, or has been, within the 10 years before the date hereof, a director, chief executive officer or chief financial officer of any company (including the Company), that:
 - (i) was the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days (any such order, an "Order") while that person was acting in the capacity as director, chief executive officer or chief financial officer; or

with creditors or had a receiver, receiver manager or trustee appointed to hold the proposed director's assets; or

- (c) has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or become subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Penalties or Sanctions

Other than as disclosed below, no proposed director of the Company has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body, including a self-regulatory body, that would be likely to be considered important to a reasonable shareholder in deciding whether to vote for a proposed director.

Mr. Martin was a director of Big Sky Farms Inc. when it filed for protection under the *Companies' Creditors Arrangement Act* in 2010, and chair when it subsequently went into receivership in 2012.

3. APPOINTMENT OF AUDITOR

Meyers Norris Penny LLP ("**MNP**") are the independent registered certified accountants of the Company. Ernst & Young LLP ("**E&Y**"), the former independent certified accountants of the Company, were replaced by MNP as the independent registered certified accountants of the Company effective June 9, 2015. MNP has audited the financial statements of the corporation for the fiscal year ended December 31, 2015.

Management now proposes that the appointment of MNP, effective June 9, 2015, be ratified and that MNP be appointed as the Company's auditors to hold office until the next annual meeting of Shareholders, at a remuneration to be fixed by the Board.

In May, 2015 E&Y was informed that their appointment as auditors of the corporation would not be proposed to the shareholders at the Company's subsequent shareholder meeting, and on the recommendation of the Audit Committee, the Board approved a proposal to engage MNP as auditors for the corporation for the 2015 fiscal period.

During E&Y's appointment, there were no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, auditing scope or procedure, or any reportable events. E&Y did not have any reservation in their auditor's report for the financial statements of the Company for the previously completed fiscal year or for any period subsequent thereto for which an audit report was issued and preceding the termination of E&Y.

Attached to this Circular as Schedule "B" is the "reporting package" as such term is defined in Canadian Securities Administrator's National Instrument 51-102 – *Continuous Disclosure Obligations* that has been filed with the requisite securities regulatory authorities and is available on the Company's SEDAR profile at www.sedar.com.

Unless the Shareholder has specifically instructed in the enclosed form of proxy that the Common Shares represented by such proxy are to be withheld or voted otherwise, the persons named in the accompanying proxy will vote FOR the appointment and ratification of MNP as auditors of the Company to hold office until the next annual meeting of Shareholders or until a successor is appointed and to authorize the Board to fix the remuneration of the auditors.

4. 2007 STOCK OPTION PLAN – ANNUAL APPROVAL

The TSXV requires all listed companies with a 10% rolling stock option plan to obtain annual shareholder approval of such a plan. Shareholders will be asked at the Meeting to vote on a resolution to approve, for the ensuing year, the Company's 2007 stock option plan (the "Option Plan"), previously adopted by the Company on August 16, 2007, and as amended on June 6, 2011.

The Option Plan provides that the Board may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Company, or any subsidiary of the Company, the option to purchase Common

Shares. The Option Plan provides for a floating maximum limit of 10% of the outstanding Common Shares as permitted by the policies of the TSXV. As at the date hereof, this represents 16,994,121 Common Shares available under the Option Plan.

Outstanding options to purchase a total of 13,610,607 Common Shares have been issued to directors, officers, employees and consultants of the Corporation and remain outstanding. As at the date hereof, the number of Common Shares remaining available for issuance under the Plan is 3,383,514. For a brief description of the Option Plan, please see: "*Securities Authorized for Issuance Under Equity Compensation Plans – Stock Option Plan*".

The full text of the Plan will be supplied free of charge to Shareholders upon written request made directly to the Company at its registered head office located at 1100 - 201 1st Avenue South, Saskatoon, Saskatchewan S7K 1J5, Attention: Chief Executive Officer.

At the Meeting, shareholders will be asked to consider and if deemed appropriate, to approve an ordinary resolution approving the Option Plan. In order to pass, such ordinary resolution requires the affirmative vote of a simple majority of the Common Shares present and voting at the Meeting, whether in person or by proxy. Unless otherwise directed, it is the intention of management to vote proxies in favour of an ordinary resolution in the form set out below to approve the Option Plan.

The Board recommends that shareholders vote "FOR" the re-approval of the Company's Option Plan.

5. OTHER BUSINESS

As of the date of this Management Information Circular, the Board and the management of the Company are not aware of any matters to come before the Meeting other than those matters specifically identified in the accompanying Notice of Meeting. However, if such other matters properly come before the Meeting or any adjournment(s) thereof, the persons designated in the accompanying form of proxy will vote thereon in accordance with their judgment pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

EXECUTIVE COMPENSATION

(a) Named Executive Officers

For the purposes of this Management Information Circular, a named executive officer of the Company means each of the following individuals:

- (a) a chief executive officer ("**CEO**") of the Company;
- (b) a chief financial officer ("**CFO**") of the Company;
- (c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6 – *Statement of Executive Compensation (in respect of years ending on or after December 31, 2008)* ("**Form 51-102F6**"), for that financial year; and
- (d) each individual who would be an NEO under paragraph (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

For the year ended December 31, 2015, the Company had the following named executive officer: Michael Ferguson, President and CEO. (, a "**Named Executive Officer**" or "**NEO**"). No other individuals are considered "Named Executive Officers" as such term is defined in Form 51-102F6.

(b) Compensation Discussion and Analysis

This compensation discussion and analysis describes the Company's policies and practices with respect to the 2015 compensation of its Named Executive Officers. Neither the Company nor the Compensation Committee has adopted any formal policies to determine executive compensation. Compensation for the Company's most recently completed fiscal year and prior fiscal years was based upon a negotiated salary, with the potential granting of options and bonus being paid as additional incentive. The Compensation Committee has the responsibility of administering

the compensation policies related to the executive management of the Company, being the CEO and the CFO, and recommending compensation to the Board for approval by the independent directors. The Compensation Committee meets as frequently as is necessary to carry out its responsibilities. The Compensation Committee considers annual compensation in light of a number of factors, including (but not limited to) the financial performance and position of the Company, the historical level of compensation received by the management team and the contributions of the management team to the advancement of the Company's business objectives.

Executive officers of the Company are eligible to receive stock options pursuant to the Company's Option Plan, which are intended to, among other things, attract and retain executives, and closely align the interests of executives with those of the Company's shareholders. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options previously granted to each executive officer and the exercise price of any outstanding options to ensure that such grants are consistent with the purpose of the Option Plan and executive compensation policies of the Company, and with the policies of the TSXV.

Compensation governance

The Compensation and Governance Committee is currently comprised of Mark Stauffer, Paul Martin, each of whom is independent and Deborah Morsky. Each member of the Compensation and Governance Committee has served as an officer and/or director of other companies and has experience relevant to the performance of his responsibilities as a member of the Compensation and Governance Committee. Mr. Stauffer currently serves as the chair of the compensation committee.

Compensation Risk

Regarding compensation risk, the Compensation Committee has adopted a strategy of providing the Company's executives with a combination of fixed salary and long term incentives such as stock options to ensure that these individuals do not engage in high risk behavior which could add undue risk to the Company, minimizing the risk of an over-emphasis on short-term gain by executives at the expense of long-term performance of the Company.

Hedging

The Company does not prohibit Named Executive Officers or directors from purchasing financial instruments such as prepaid variable forward contracts or equity swaps, collars, or units of exchange funds, or other financial instruments designed to hedge or offset a decrease in market value of securities granted as compensation held, directly or indirectly, by an NEO or director. However, neither the Board nor management is aware that any such individual has in the past bought or currently holds such instruments.

(c) Summary Compensation Table

The following table sets forth, for the Company's three most recently completed financial years, information concerning the compensation paid to the Company's Named Executive Officers. - (1) The Company follows guidance in the CICA Handbook *Section 3870 Stock-Based Compensation and Other Stock-Based Payments*, which requires that a fair value based method of accounting be applied to all stock-based payments. The fair value of stock-based compensation is recorded as a charge to net earnings with a corresponding credit to contributed surplus. The fair value of incentive stock options granted to directors, officers and consultants are calculated using the Black-Scholes valuation model. The fair value for each stock option was estimated using the following weighted average assumptions:

Risk free rate	2.5% - 3.0%.
Expected life	Determined by the terms and conditions of each stock option (3-5 years).
Expected volatility	Determined by the closing sale price for the Company's Common Shares for a historical time interval equal to the expected life of the stock options, adjusted to reflect various factors including non-recurring price volatility and TSXV hold periods (93%-105%).
Expected dividend yield	0%.
Weighted Average Share Price	\$0.10.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

Stock Option Plan

The Option Plan is a 10% “rolling” stock option plan. Pursuant to the policies of the TSXV, rolling stock option plans, such as the Option Plan, must receive shareholder approval on an annual basis. The Option Plan was last approved by shareholders on June 30, 2014 at the last annual general meeting of the Company.

Pursuant to the Option Plan, the Board may from time to time authorize the issue of options to directors, officers, employees and consultants of the Company and its subsidiaries or employees of companies providing management or consulting services to the Company or its subsidiaries.

The purpose of the Option Plan is to encourage directors, officers, employees and consultants to acquire Common Shares and to advance the interests of the Company by: (i) increasing their proprietary interest in the Company; (ii) aligning their interests with the interests of the Company's shareholders generally; (iii) encouraging them to

remain associated with the Company; (iv) furnishing them with an additional incentive in their efforts on behalf of the Company; and (v) enabling the Company to attract and retain valued directors, officers, employees and consultants.

The aggregate number of Common Shares issuable under the Option Plan shall not, at the time of the option grant, exceed 10% of the total number of issued and outstanding Common Shares (calculated on a non-diluted basis) unless the Company receives the permission of the TSXV (or any other stock exchange or exchanges on which the Common Shares are then listed) to exceed such threshold.

The term of the options shall be five (5) years from the date of the grant. The number of shares which may be reserved for issuance to any one individual within a 12-month period may not exceed 5% of the issued Common Shares or 2% if the optionee is a consultant. The Board has the discretion to issue options with immediate vesting or subject to a vesting schedule which will occur generally as to 1/3 on the one-year anniversary of the grant date, 1/3 on the two-year anniversary of the grant date and 1/3 on the three-year anniversary of the grant date. The exercise price shall not be less than the Discounted Market Price as defined in Policy 4.4 of the TSXV or such greater price as may be determined by the Board.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the Company's or any of its subsidiaries' directors, executive officers or employees or former directors, executive officers or employees, nor any associate of such individuals, nor any proposed nominee for election as a director of the Company is as at the date hereof, or has been, during and since the year ended December 31, 2012, indebted to the Company or any of its subsidiaries in connection with a purchase of securities or otherwise. In addition, no indebtedness of these individuals to another entity has been the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding provided by the Company or any of its subsidiaries.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

For the purposes of this Management Information Circular, an "informed person" means (i) a director or officer of the Company, (ii) a director or officer of a person or company that is itself an informed person or a subsidiary of the Company, (iii) any person or company who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Company or a combination of both carrying more than 10% of the voting rights attaching

to all outstanding voting securities of the Company, or (iv) the Company, if it has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities.

No informed person has had a material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company.

STATEMENT OF CORPORATE GOVERNANCE

Set out below is a description of the corporate governance practices of the Company as required by National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**").

1. Board of Directors.

The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes effective decision making at the Board level.

NI 58-101 defines an "independent director" as a director who has no direct or indirect "material relationship" with the issuer. A "material relationship" is as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member's independent judgment. The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent.

The Board facilitates its exercise of independent supervision over management by having a majority of directors serve as "independent" directors. Two of the three current directors, namely Paul Martin and Kerny Korchinski are independent directors. Following the Meeting, it is anticipated that two of the three directors, namely Paul Martin and Mark Stauffer will be independent directors. Michael Ferguson, is President and Chief Executive Officer of the Company, and has a "material relationship" with the Company and is thereby not considered to be an independent director. In order to ensure independence from management the independent directors meet separately from management at least quarterly.

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The Board meets without management present, as circumstances require. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in National Policy 58-201 – Corporate Governance Guidelines, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance.

2. Directorships.

None of the directors of the Company are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction.

3. Orientation and Continuing Education.

The Company does not have a formal process for orientation of new directors. The Board encourages directors to participate in continuing education programs.

4. Ethical Business Conduct.

The Board has approved a Governance Manual containing a Code of Conduct and related policies and procedures to encourage and promote a culture of ethical business conduct.

5. Nomination of Directors.

Directors are nominated by a majority of the Board. Prior to Board approval, new candidates are screened and interviewed and their qualifications considered.

6. Compensation.

Compensation of management and the directors of the Company is recommended to the board by the Compensation Committee and approved by the independent members of the Board. Compensation is determined by reference to the

market, the size and complexity of the Company and the personal contribution of each individual to the Company. See “*Information Concerning the Company – II. Executive Compensation – (b) Compensation Discussion and Analysis*” above for further details.

7. Committees.

There are two committees of the Board: the Audit Committee and the Compensation and Governance Committee. See “*Audit Committee*” below for further details about the Audit Committee.

8. Assessments.

The Board does not consider formal assessments useful, given the stage of the Company’s business and operations. The Board conducts informal annual assessments of the performance of the Board as a whole, the committees of the Board, and each of the individual directors in order to satisfy itself that each is functioning effectively.

SCHEDULE “A”

Charter of the Audit Committee

I. Audit Committee Mandate

The Audit Committee (the “**Committee**”) of Gensource Capital Corporation (the “**Company**”) is appointed by the board of directors of the Company (the “**Board**”) to assist the Board in fulfilling its oversight responsibilities of the Company. In so doing, the Committee provides an avenue of communication among the external auditors, management and the Board. The Committee will primarily fulfill this role by carrying out the activities enumerated in this Charter. The Committee is, however, independent of the Board, and in carrying out its role of assisting the Board in fulfilling its oversight responsibilities the Committee shall have the ability to determine its own agenda and any additional activities that the Committee shall carry out. The Audit Committee’s primary duties and responsibilities are to:

- (a) Monitor the integrity of Company’s financial reporting process and the audit process;
- (b) Monitor risk management and systems of internal controls;
- (c) Monitor the independence, qualifications and performance of the Company’s independent auditors; and
- (d) Monitor the Company’s compliance with legal and regulatory requirements.

While the Audit Committee has the duties and responsibilities set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. That is the responsibility of management and the independent auditors.

II. Reliance on Information and Standard of Care

Members of the Committee, absent actual or suspected knowledge to the contrary (which shall be reported to the Committee), shall be entitled to rely on the integrity and accuracy of all information provided and all representations and reports made to the Committee. 2. Have the authority to communicate directly with the external auditor.

3. Advise the external auditor that it is required to report to the Committee and not to management of the Company.
4. Monitor the relationship between management and the external auditor, including reviewing any management letters or other reports of the external auditor, discussing any material differences of opinion between management and the external auditor and resolving disagreements between the external auditor and management.
5. Review and discuss on an annual basis with the external auditor all significant relationships they have with the Company, its management or employees that might interfere with the independence of the external auditor.
6. Pre-approve all non-audit services (or delegate such pre-approval, as the Committee may determine and as permitted by applicable Canadian securities laws) to be provided by the external auditor.
7. Review the performance of the external auditor and recommend any discharge of the external auditor when the Committee determines that circumstances warrant.
8. Periodically consult with the external auditor out of the presence of management about:
 - (i) any significant risks or exposures facing the Company;
 - (ii) internal controls and other steps that management has taken to control such risks; and
 - (iii) the fullness and accuracy of the financial statements of the Company, including the adequacy of internal controls to expose any payments, transactions or procedures that might be deemed illegal or otherwise improper.
9. Review and approve any proposed hiring of current or former partners or employees of the current (and any former) external auditor of the Company.

C. Audit Process

1. Review the scope, plan and results of the external auditor's audit and reviews, including the auditor's engagement letter, the post-audit management letter, if any, and the form of the audit report. The Committee may authorize the external auditor to perform supplemental reviews, audits or other work as deemed desirable.

3. Review any significant disagreements among management and the external auditor in connection with the preparation of the financial statements.
4. Where there are significant unsettled issues between management and the external auditor that do not affect the audited financial statements, the Committee shall seek to ensure that there is an agreed course of action leading to the resolution of such matters.
5. Review with the external auditor and management significant findings and the extent to which changes or improvements in financial or accounting practices, as approved by the Committee, have been implemented.
6. Review the system in place to seek to ensure that the financial statements, MD&A and other financial information disseminated to governmental organizations and the public satisfy applicable requirements.
